AFFIDAVIT OF WILLIAM MELVILLE

Sworn on November 9, 2020.

I, William Melville, of Calgary, Alberta, SWEAR AND SAY THAT:

1. I am the Chief Executive Officer of Newsco International Energy Services Inc. ("Newsco") and, as such, I have personal knowledge of the matters hereinafter deposed to except where

stated to be based on information and belief, in which case I believe those matters to be true.

2. Newsco is an international directional drilling and measurement-while-drilling ("**MWD**") service company with operations in North America, India, and Peru.
3. Newsco's operations in Canada and India are conducted through divisions of Newsco. Newsco has no active jobs in Canada but continues to generate income from ongoing projects in India (the "**Indian Operations**").
4. Newsco's operations in the United States and Peru are carried out through subsidiaries. The US subsidiary, Newsco International Energy Services USA Inc., has no active jobs and filed for restructuring under Chapter 11 of the US Bankruptcy Code in December 2019. The Peru subsidiary, Newsco Directional Drilling (Peru) S.A.C., similarly has no active jobs, and Newsco does not expect to receive any return from the Peru subsidiary in the foreseeable future.
5. Newsco filed a Notice of Intention to make a Proposal ("**NOI**") pursuant to section 50.4(1) of the *Bankruptcy and Insolvency Act* on October 20, 2020. The NOI appointed BDO Canada Limited as Licensed Insolvency Trustee (the "**Proposal Trustee**").

Background

6. Newsco's customers are upstream oil and gas producers in Canada and around the world. Given the sustained long-term pressure on oil and gas commodity prices in recent years, Newsco's revenues have been affected by lower drilling activity by its customers. This challenge has been severely exacerbated by the recent COVID-19 pandemic and further decreases in commodity prices. More specifically:
 - (a) lower demand for directional drilling and MWD services has resulted in increased competition and downward pressure on the prices that Newsco can obtain for its services. Newsco has been required to provide its services to ongoing customers at discounted prices, shrinking Newsco's margins;

- (b) a number of Newsco's customers themselves have been unable to carry on in business and have become insolvent or been liquidated;
- (c) other customers have cancelled planned projects with Newsco;
- (d) certain of Newsco's long-term fixed costs, such as its premises rental costs, had been incurred at a time when Newsco's business levels and revenues were more robust, and could not be reduced to correspond with Newsco's reduced business levels; and
- (e) under Newsco's previous ownership, Newsco was party to major litigation relating to an asset purchase agreement. Newsco was ultimately unsuccessful in this litigation, which was a major drain on Newsco's resources.

Extending the Time to File a Proposal

7. Since filing the NOI, Newsco has worked with the Proposal Trustee diligently and in good faith with a view to ultimately presenting a proposal to its creditors. Newsco has fully cooperated with the Proposal Trustee and has diligently complied with the Proposal Trustee's requests. Newsco has, among other things:
 - (a) worked with the Proposal Trustee on the 13-week cash-flow statement required to be filed with the Official Receiver and to keep the Proposal Trustee apprised of Newsco's activities;
 - (b) held discussions with arm's length third parties regarding a transaction that could form the basis for a proposal to Newsco's creditors; and
 - (c) apprised Newsco's key suppliers of its situation.
8. Newsco is seeking an extension of the time period in which to make its proposal, to December 23, 2020. The requested extension of time is necessary for Newsco to be able to generate a proposal to its creditors that is viable and practical from an economic standpoint.

9. I do not believe that the proposed extension will materially prejudice any of Newsco's creditors. The extension is necessary and, without such extension, Newsco will lose the opportunity to maximize value for its creditors. Attached as **Exhibit "1"** to this Affidavit is a true copy of Newsco's updated 13-week cashflow projection.
10. I am advised by Newsco's counsel that the Proposal Trustee supports the proposed extension.

Authorized Payments

11. Arising from the Indian Operations, Newsco is indebted to several creditors located in India or whose Indian divisions provide services to Newsco in India (the "**Critical Suppliers**"). The Indian Operations are conducted through a division of Newsco and, as such, debts owing to the Critical Suppliers are owed by Newsco directly. Amounts owing to each of the Critical Suppliers (all converted to CAD) are set out in the following table.

| Critical Supplier | Amount Owing |
|---------------------------------------|---------------------|
| Aadya E-Travel | \$9,964.58 |
| ABS International Holdings Limited | \$128,288.50 |
| Ajoy Koch & Co. | \$57,621.69 |
| Alpha Services | \$200.24 |
| Anil K Badhwar | \$8,052.67 |
| Ashik Patowary | \$3,370.78 |
| Ashini Kumar Chetia | \$8,052.67 |
| ASSAM PETROLEUM LIMITED | \$1,512.84 |
| Bedanta Chetia | \$3,957.10 |
| Central Processing Cell – TDS | \$27,268.14 |
| DD Services | \$9,127.82 |
| Dolphin Enterprises | \$9,964.58 |
| Eco & Agro Movers Pvt. Ltd. | \$200.24 |
| Employees Provident Fund Organisation | \$3,759.23 |
| Finanic Services | \$3,957.10 |
| Garg Sales Corporation | \$8,810.90 |
| Gaurav Sahni HUF | \$6,028.02 |
| Gautam Sahni HUF | \$7,292.41 |
| K. V. Enterprises | \$3,370.78 |
| K.S. ENTERPRISES | \$57,621.69 |
| Labour Welfare Fund Office | \$19.16 |
| M/S Muzzamil Islam Ali | \$7,292.41 |
| MRA Oil Feild Services | \$6,028.02 |

| | |
|------------------------------------------------|---------------------|
| North East Logistics | \$8,810.90 |
| Oil Feild Warehouse & Services Ltd. | \$68,704.57 |
| Oil Well Tools Services and Supplies Pvt. Ltd. | \$2,782.22 |
| Omkar Clearing Forwarding Pvt. Ltd. | \$44,742.19 |
| Proactive Facilities Pvt. Ltd. | \$27,605.90 |
| Prodip Sarma | \$64,115.68 |
| Safe & Trust Logistics | \$22,778.38 |
| Sanjay Art Printers | \$30,742.79 |
| Scorpion Mechanical Components Pvt. Ltd. | \$1,512.84 |
| Standard Instrumentation System | \$1,502.32 |
| V Sankar Aiyar & Co. | \$8,285.84 |
| Vaishnavi Engineering | \$2,363.78 |
| TOTAL | \$640,708.21 |

12. For Newsco to continue to earn revenue from the India Operations, it requires ongoing goods and services from the Critical Suppliers. I believe that the Critical Suppliers may seek judgment against Newsco or enforce against Newsco's assets in India if Newsco cannot pay them on an ongoing basis. Further, I am advised by Newsco's counsel that the automatic stay of proceedings against Newsco, arising by virtue of the NOI, may not protect against such enforcement actions in India.
13. Any enforcement action taken against Newsco would compromise Newsco's ability to maintain the Indian Operations. Given that the Indian Operations are the only business activities generating positive cash flow for Newsco, this would have a detrimental impact on Newsco's ability to prepare a viable proposal.
14. Accordingly, Newsco seeks the authority to pay the Critical Suppliers, including for amounts owed that pre-date the NOI, if consented to by the Proposal Trustee.
15. Newsco is further indebted to its employees for unpaid wages. These employees are unlikely to continue in their employment with Newsco unless the unpaid wages are paid. Without the ongoing assistance of its employees, Newsco will be unable to advance a viable proposal.
16. As at October 20, 2020, Newsco owed approximately \$1,858,549.08 to its secured creditors, and approximately \$4,305,004.21 to its unsecured creditors.

Administrative Charge

- 17. In order to effectively allow Newsco to continue operating and prepare a proposal, Newsco requires the assistance of its legal counsel and the Proposal Trustee (the "**Administrative Professionals**"). Without the continued involvement of the Administrative Professionals, Newsco will not be able to restructure its affairs. Newsco therefore requires a charge securing the professional fees and disbursements of the Administrative Professionals up to a maximum of \$150,000.
- 18. Given Newsco's relatively low projected revenue during the 13-week forecast period, the Administrative Professionals require the granting of an Administrative Charge, to secure their fees and disbursements.
- 19. Attached as **Exhibit "2"** to this Affidavit is a true copy of a search of Newsco from the Alberta Personal Property Registry. All parties who have registrations therein will be served with notice of Newsco's Application.
- 20. I make this Affidavit in support of Newsco's Application to extend the time for filing a Proposal, authorize payment of specified parties, and authorize an administrative charge to fund these proceedings.
